Dear Ali Azadeh:
Congratulations! It is with pleasure we inform you that the above paper
has been recommended for presentation at the IEEE International
Conference
on Industrial Technology (ICIT2006) to be held in Mumbai during
December
15-17, 2006.

Your work has been reviewed by multiple reviewers and after carefully
evaluating the reports, the Program Committee have accepted the paper.
Please check the detailed review report (if any) at:
http://bradleyuniversityvolunteer.ieee-ies.org/submit-cgi-
bin/loginauthor.pl?event=ICIT06
We very appreciate if you further improve your paper taking into
account
the reviewers comments (if any). Please submit your final manuscript by
September 30, 2006.

Note that the final manuscript must adhere strictly to the template of
submission of IEEE conference papers. Please visit the conference
website
at:
 http://www.iitkgp.ac.in/icit2006/
for the template of paper-submission and also for all future
information
regarding the technical and social events of the conference. Note that
all
the papers must be electronically submitted along with IEEE Copyright
form. Also be aware that a standard paper is of SIX pages length.
Additional two pages are allowed with extra fees. A final paper more
than
eight pages and less than five pages will not be accepted.

It is mandatory that authors register for the conference by September
30,
2006. No paper will be put in the final technical program unless the
corresponding fees are paid in advance.

You are also encouraged to arrange your accommodation in advance.
Please
visit the website at: http://www.sc.iitb.ac.in/~icit2006/ for
accommodation.

ICIT2006 is all set for a grand technical event. Thank you very much
for
your contribution. We look forward to seeing you in Mumbai at the
conference.

Kind regards,
